Last year's Second Falcon Foundation Tournament raised over \$14,000. The Falcon Foundation is a registered Charitable Foundation that is solely dedicated to Education Bursaries and to provide funds for youth sports in St. Catharines. This foundation is run by a separate group of people from the Hockey Club and will allow the Falcons to give something back to the community.

The Falcon Organization would like to thank everyone involved with last year's Tournament for making it a success and would like to extend an open invitation for you and your friends to join us at this year's Tournament.
